

FEBRUARY

February 2019 Penguin Press Volume 8, Issue 6

Dear Penguin Families,

Happy February! We are excited to announce our Title 1 Makers' Space Family Nights this month. We will be hosting 3 separate nights beginning with Thursday, February 7 for grades 4 and 5. We will serve pizza and lemonade from 5:30 – 6 and then students and parents are invited to participate in Makers' Space activities from 6-7 pm. Grades 2 and 3 are invited on Thursday, February 21 and Grades K and 1 on Thursday, February 28. Same times for all 3 events. We hope that you can join us! A flyer is located on the back of this newsletter.

Daily instruction presented by a certified teacher is a critical key to success in school. Students cannot learn if they are not present for instruction. Please be sure your child is present and here no later than 8:30 am or earlier if they need breakfast. For those of you who always arrive on time, many thanks for making timely attendance a priority.

Please do not hesitate to reach out to your child's teacher to schedule a conference if you have not yet met with them to discuss their progress. We want to keep communication strong between teachers, staff and our families.

Donna Weaver

Message from Title I Dept.:

Be sure to check out the SCPS Parent Resource Center! The PRC includes a resource library with over 1,200 books and reading, math, and science games to check out and use at home to support student learning! The PRC also hosts monthly parent workshops and has a computer lab for parent and student use. Email SCPSfamily@scps.k12.fl.us with any questions!

Parent Survey: Our goal at LKO is to provide Five Star services in all areas. Therefore, we are urging you to complete the 5 Essentials survey on or before Feb. 22, 2019 using the web link below:

News from our Assistant Principal Mrs. Saintil

Dear LKO Parents,

For the past few weeks, students have been working on various Future Ready Skills in Robotics, Makers Space and in the classroom. Students are learning about perseverance, collaboration and problem solving. Although we do not know what the future may hold, we are providing our students with the skills they will need to be productive citizens. Again, thank you parents for the continued support to your child and our school. Below, you will find some of our school updates.

Things to Remember

RAP: Our school proudly participates in a reading program called RAP, or Reading Acceleration Program. This program connects struggling first grade reading students with a **volunteer** to assist during the school year on reading skills. If you are interested please email toni_harrell@scps.k12.fl.us.

Attention 5th Grade parents: Students will be receiving their 6th grade Course Selection Sheet this week. Please return them to Ms. Johansson or their fifth grade teacher.

Lost and Found: Please ask your child to check the lost and found table for any items that may belong to them.

Penguin Pride: Ask your child what the Penguin Pride means to them. *Positive Work Habits, Good Study Skills, Respect and Self-Control.*

Bullying Prevention Update: February 1, 2019 is Black Out Bullying Day. Students and staff are being asked to wear Black and White in Unity against bullying.

Our **FEBRUARY** key to character is **CARING**. This month, students will understand that paying attention and showing concern for the welfare and needs of others through both words and actions builds unity.

***Just a reminder... There is **no school** on **Monday, February 18, 2019**.

**"The best way
to predict
the future
is to
create it."**
