April 2018 Penguin Press Volume 7, Issue 9

Dear Penguin Families,

We hope that all of you enjoyed your spring break! It is hard to believe that we have just started the last 9 weeks of school! Please note that April is our biggest testing month for FSA. Mrs. Walters-Clark will publish the schedule in this newsletter.

We have some exciting events scheduled in April. If your child is in 3rd, 4th, or 5th grade, we have our FSA Boost Camp scheduled for Saturday, April 7, 2018 from 8:30 – 11:30 am. The registration form went home last week. If you didn't receive the form, please contact your child's teacher or the front office. Snacks will be provided but we do need for parents to provide their own transportation to and from school if you would like for your child to attend. We have some fun but academic activities planned to help us better prepare our students for success on the FSA. Please consider sending your child to our FSA Boost Camp.

On Tuesday, April 17, 2018, we will have our last Title I Family night focused on featuring Accelerated Reader and how it can help your child become a better reader, summer reading opportunities and problem-solving using our Makers' Space Lab. Pizza and lemonade will be served beginning at 5:30 while supplies last and activities will start at 6:00 pm and end at 7:00pm. Please join us. We will have summer reading materials for each grade level while supplies last.

Finally, we need your help! On Saturday, April 21st, we will host a campus clean-up and beautification project from 8:30 – 11:30. This has been organized with support of our wonderful PTA and we just need as many hands as possible to make a difference on our large campus. We still have some limbs from Hurricane Irma falling and many, many leaves that need to be raked up. Please join us! More details can be found in this newsletter.

Thanks again to our PTA for their fun-filled Spring Carnival on Wednesday March 14th. A good time was had by all who attended!
