

ORLANDO SCIENCE CENTER
Celebrate Science Night

**Duke Energy invites you and your family to participate in a
Celebrate Science Night at Orlando Science Center!**

Join us Monday, March 13th from 5:30-8:30 p.m. for a building-wide event that includes educational films, live science shows, the Crosby Observatory, and four floors of hands-on Science Center exhibits!

Don't miss these experiences at Duke Energy's Celebrate Science Night!

- Explore our out-of-this-world traveling exhibit Astronaut!
- Experience all four floors the Science Center has to offer including our newest permanent exhibit hall KidsTown!
- Participate in our Digital Adventure Theater science shows.
- View stars and planets through the giant refractor telescope in the Crosby Observatory.
- Experience giant-screen films in the Dr. Phillips CineDome.
