## From the Principal

Dear Penguin Families,

It is hard to believe that we are entering our last 12 weeks of the school year. The year has gone by so quickly. This week on Tuesday, March 3, your child's report card will be coming home for the 2<sup>nd</sup> 12 weeks. Please sign and return the envelope it was sent home in so that we know you have seen a copy. If you have a question or concern, please do not hesitate to contact the teacher. We want to keep the lines of communication open between home and school.

Our 4<sup>th</sup> and 5<sup>th</sup> grade students will take the Florida Standards Writing Assessment on March 3. Spring break will begin Friday, March 13 for students and they will return to school on Monday, March 23, 2015. It is very important that students return on time from break because our 3<sup>rd</sup> and 4<sup>th</sup> grade students will take the Florida Standards Assessment in Reading beginning on Tuesday, March 24-25. These same students will take the FSA Math on Monday, March 30-31. Our 5<sup>th</sup> grade students will test in April.

We appreciate your support by insuring that your child is on time and ready to learn. In order to be eligible for an "A", we must have 95% or higher of our students take the state assessments. Our teachers, students and support staff have been working hard and focused on earning an "A" for Lake Orienta this year.

Thanks Again,

Donna M. Weaver, Principal

### There's an "AP" for that!

#### News from the Assistant Principal- Mary Walters-Clark

It is already March and it's time to assess our students with the Florida State Assessments so they can show what they know.

Mrs. Weaver has informed you of the Testing dates for our third and fourth grade students. Our fifth grade students will begin with Science on April 13th and then on to Language Arts and Math on April 16th.

It is a very busy time of year at Lake Orienta. Be sure to take time to enjoy your family during Spring Break!

Your LKO AP,

Mary Walters-Clark
