

Title I Schools are Required to:

- Develop jointly with parents a written Parent Involvement Plan.
- Hold an annual meeting to inform parents of the school's participation in the Title I program and their rights to be involved in school, and to explain the requirements of Title I.
- Develop jointly with parents a School-Parent Compact. The compact must state how parents, the entire school staff and students will share in the responsibility for improved student achievement and must be discussed during a parent/teacher conference.
- Provide staff training on Parent Involvement.
- Provide training and materials to help parents work with their children.
- Provide timely information to parents about the Title I program and offer flexible meeting times.
- Provide (if requested) opportunities for regular meetings that allow parents to participate (as appropriate) in decisions about their child's education and respond to suggestions.
- Ensure that information sent to parents is in a format and language that parents can understand.

Seminole County Public Schools

This Plan has been jointly developed and agreed upon by our staff and parents. It reflects the goals of our Title I Parent Involvement Plan.

What Is Title I?

Seminole County Public Schools (SCPS) receives an annual entitlement allocation of federal dollars to provide resources to meet the purpose of Title I. Schools that have high percentages of children who qualify for free or reduced lunch receive an allocation, which is spent on resources to support the purpose of Title I and the goals of their School Improvement Plan. These funds are above and beyond the district funds given to schools and are used to enhance student achievement. In Seminole County, Title I serves (20) public elementary schools. Lake Orienta is the highest performing Title 1 School in Seminole County.

Parental Involvement

Mission Statement

Lake Orienta Elementary School shall promote parental involvement as mandated by Title I, No Child Left Behind Act of 2001 and work as equal partners with parents in providing quality learning experiences for every student. The Lake Orienta Elementary School faculty and staff believe and acknowledge that parent involvement raises the academic achievement level of our students and are committed to maintaining a strong partnership between home and school. We are committed to involving parents in shared decision-making and encouraging parents to become active participants in their child's educational process. We will actively solicit and welcome parental participation and advocacy in all aspects of the educational process to help all students reach high levels of academic and social achievement.

Read our District Title I

Parent Involvement

Policy & School Plans

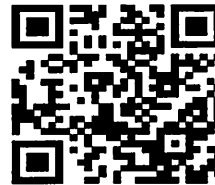

School Plans and the District Policy outline the School and District's expectations and establish the framework for parent participation. They are available at school, on the school website and the District Title I Parent Involvement Office. We would like your input and involvement on the SCPS District Policy and School Plans. Please contact **Lake Orienta** at **407-746-2650** or the District Parent Involvement Office at **407-320-0000**.

Parents are a Critical Part of Our School Team

Lake Orienta Elementary encourages our parents to participate in our school community through a wide range of Family Involvement opportunities. Parents are encouraged to become active members of SAC, and PTA committees as well as become a school based Dividend volunteer. Additional parent trainings, information meetings and family events are planned for varying times of the day, throughout the school year to accommodate family needs and schedules.

Family Involvement Opportunities for Parents:

- **School Advisory Council (SAC)**
- **Parent Teacher Association (PTA)**
- **Dividend Volunteer**
- **Family Media Nights**
- **Parent Resource Center**
- **FCAT Family Nights**

An annual Climate Parent Survey is available to all of our families for feedback and suggestions.

Parent / Teacher Conference

Conferences are one of the most important ways parents and teachers communicate and work together. A teacher/parent conference is a two-way exchange of information about your child and may occur at any time during the year. Parents are able to share information about their child's special interests and discuss their child's academic progress. Teachers will share ideas and suggestions on how parents best can help their child at home. A translator is available upon request.

PBS at Lake Orienta

PBS stands for Positive Behavior Support. It is a process for creating safer and more effective schools.

Focus of PBS and our School-wide Expectations

To understand why problem behaviors are occurring in order to address them effectively through data-driven and research-based principles.

Students are expected to demonstrate Penguin Pride through **Positive Work Habits, Respect, Self Control, and Good Study Skills** each day.

School/ Parent Communication

- Newsletters
- Informative Flyers
- School / District Websites
- Weekly Reports
